Re: Letter of Consent for Large Scale Residential Development (LRD) Planning Application

Site: St Vincent's Hospital, Richmond Road and Convent Avenue, Fairview, Dublin 3

To Whom It May Concern,

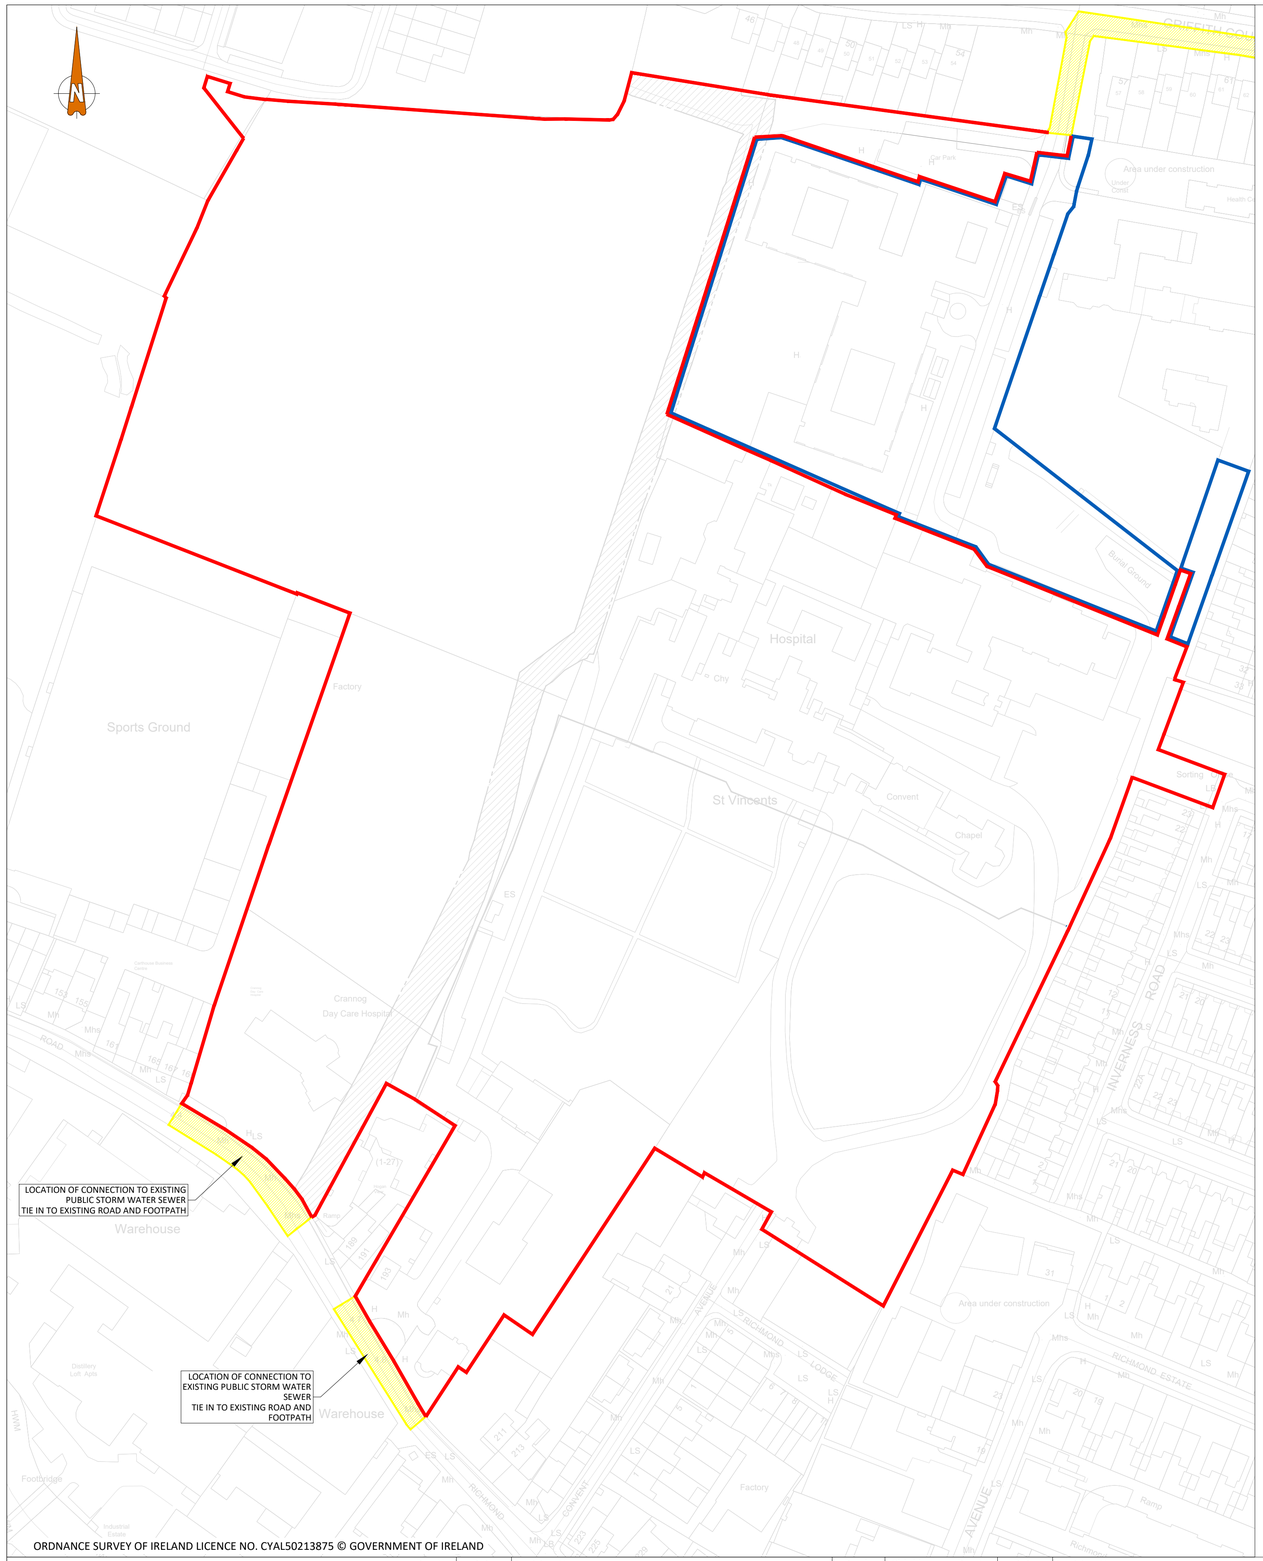

I refer to the above intended LRD planning application, the site of which includes lands in the control of Dublin City Council, specifically lands within the roadway and footpath as indicated on the attached drawing, R517-OCSC-XX-XX-SK-C-0008-S2-P01. The inclusion of said lands relates to the drainage strategy for the proposed development.

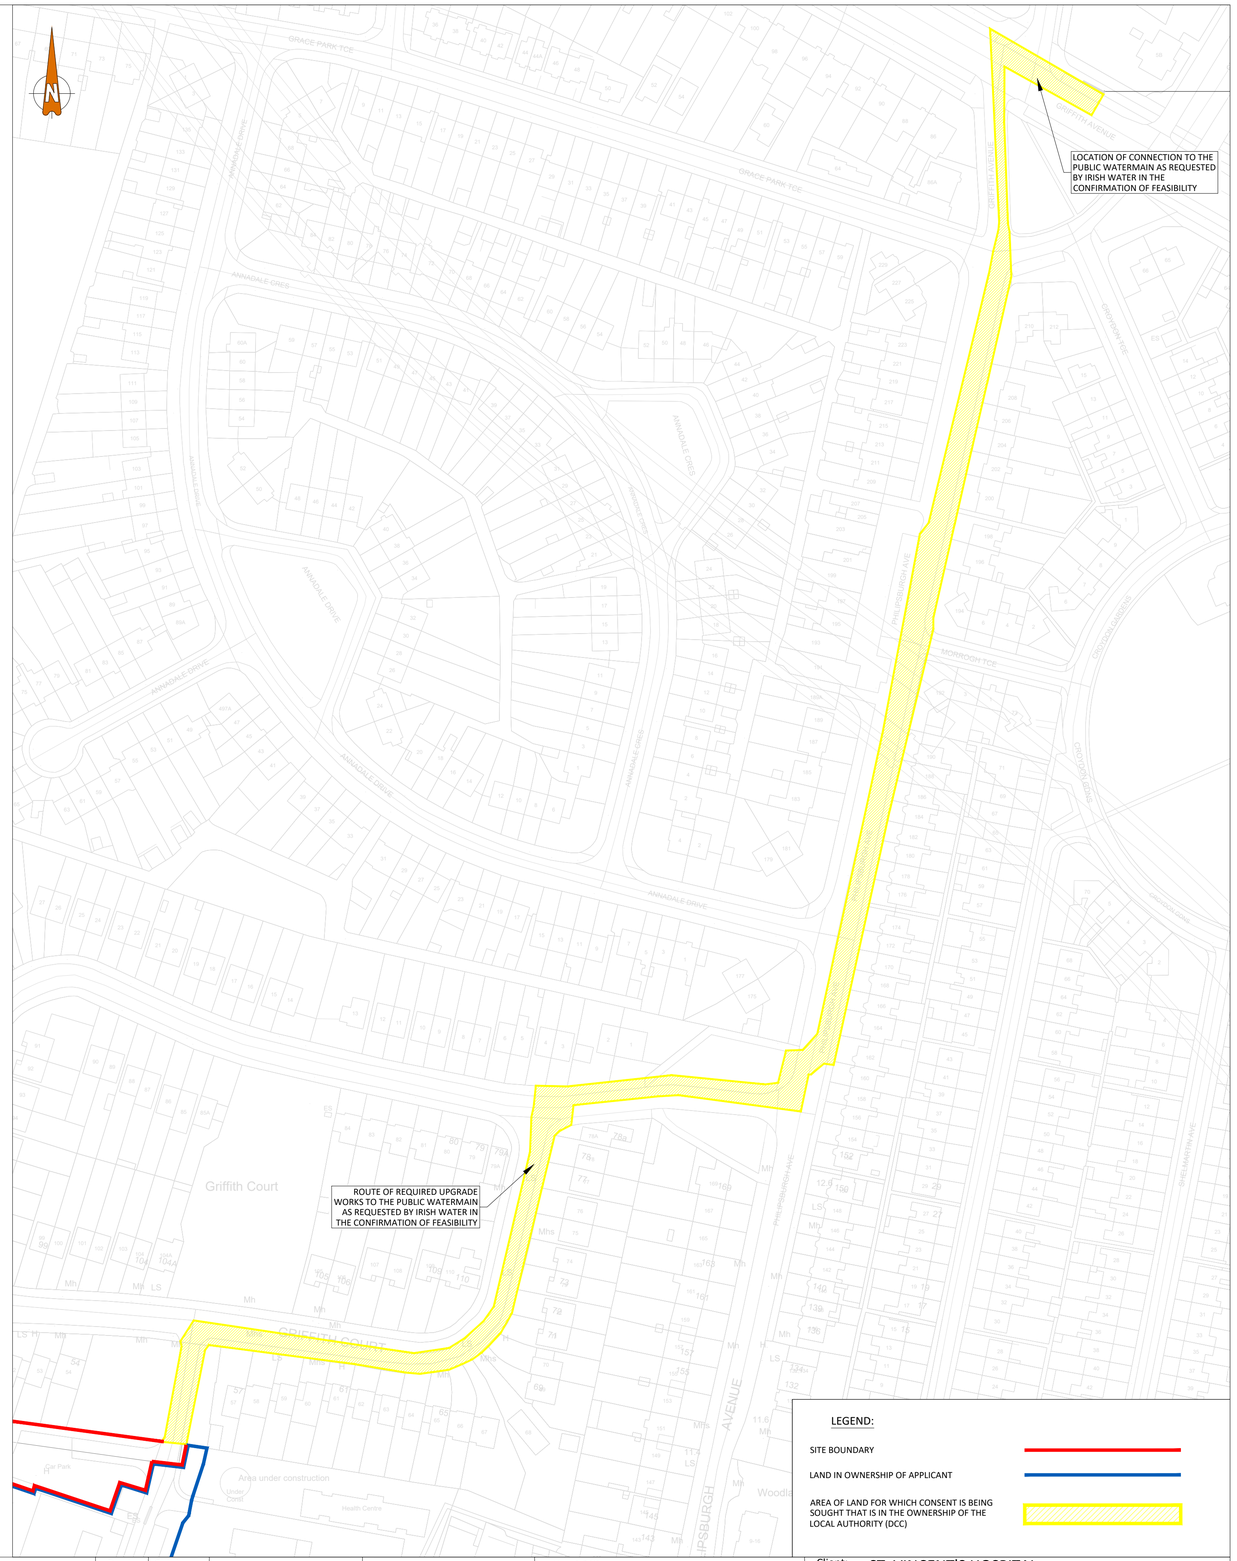

I wish to confirm that the City Council has no objection to the inclusion of these lands for the purpose of making a planning application. This is without prejudice to the outcome of the planning application process.

In the event that planning permission is granted and the development requires acquisition of Dublin City Council property including air rights, disposal will be subject to terms and conditions agreed with the Chief Valuer's Office. Any disposal of Dublin City Council property is also subject to Council approval under Section 183 of the Local Government Act 2001(as amended).

Yours faithfully,

Dermot Collins
Executive Manager

RE: PROPOSED DEVELOPMENT CONSISTING OF A NEW MENTAL HEALTH FACILITY BUILDING, 811 NO. RESIDENTIAL UNITS (494 NO. STANDARD DESIGNED APARTMENTS AND 317 NO. BUILD TO RENT APARTMENTS) AND ASSOCIATED DEVELOPMENT AT ST. VINCENT'S HOSPITAL, RICHMOND ROAD AND CONVENT AVENUE, FAIRVIEW, DUBLIN 3

To whom it concerns,

Targeted Investment Opportunities ICAV acting solely in respect of its GPR sub-fund developed the Grace Park Woods residential scheme in Drumcondra and is the owner of the open space at this location.
We confirm that the Public Open Space at the front of the Grace Park Woods development is currently in the process of being prepared for Taking In Charge by Dublin City Council. Thereafter it will be in public ownership.

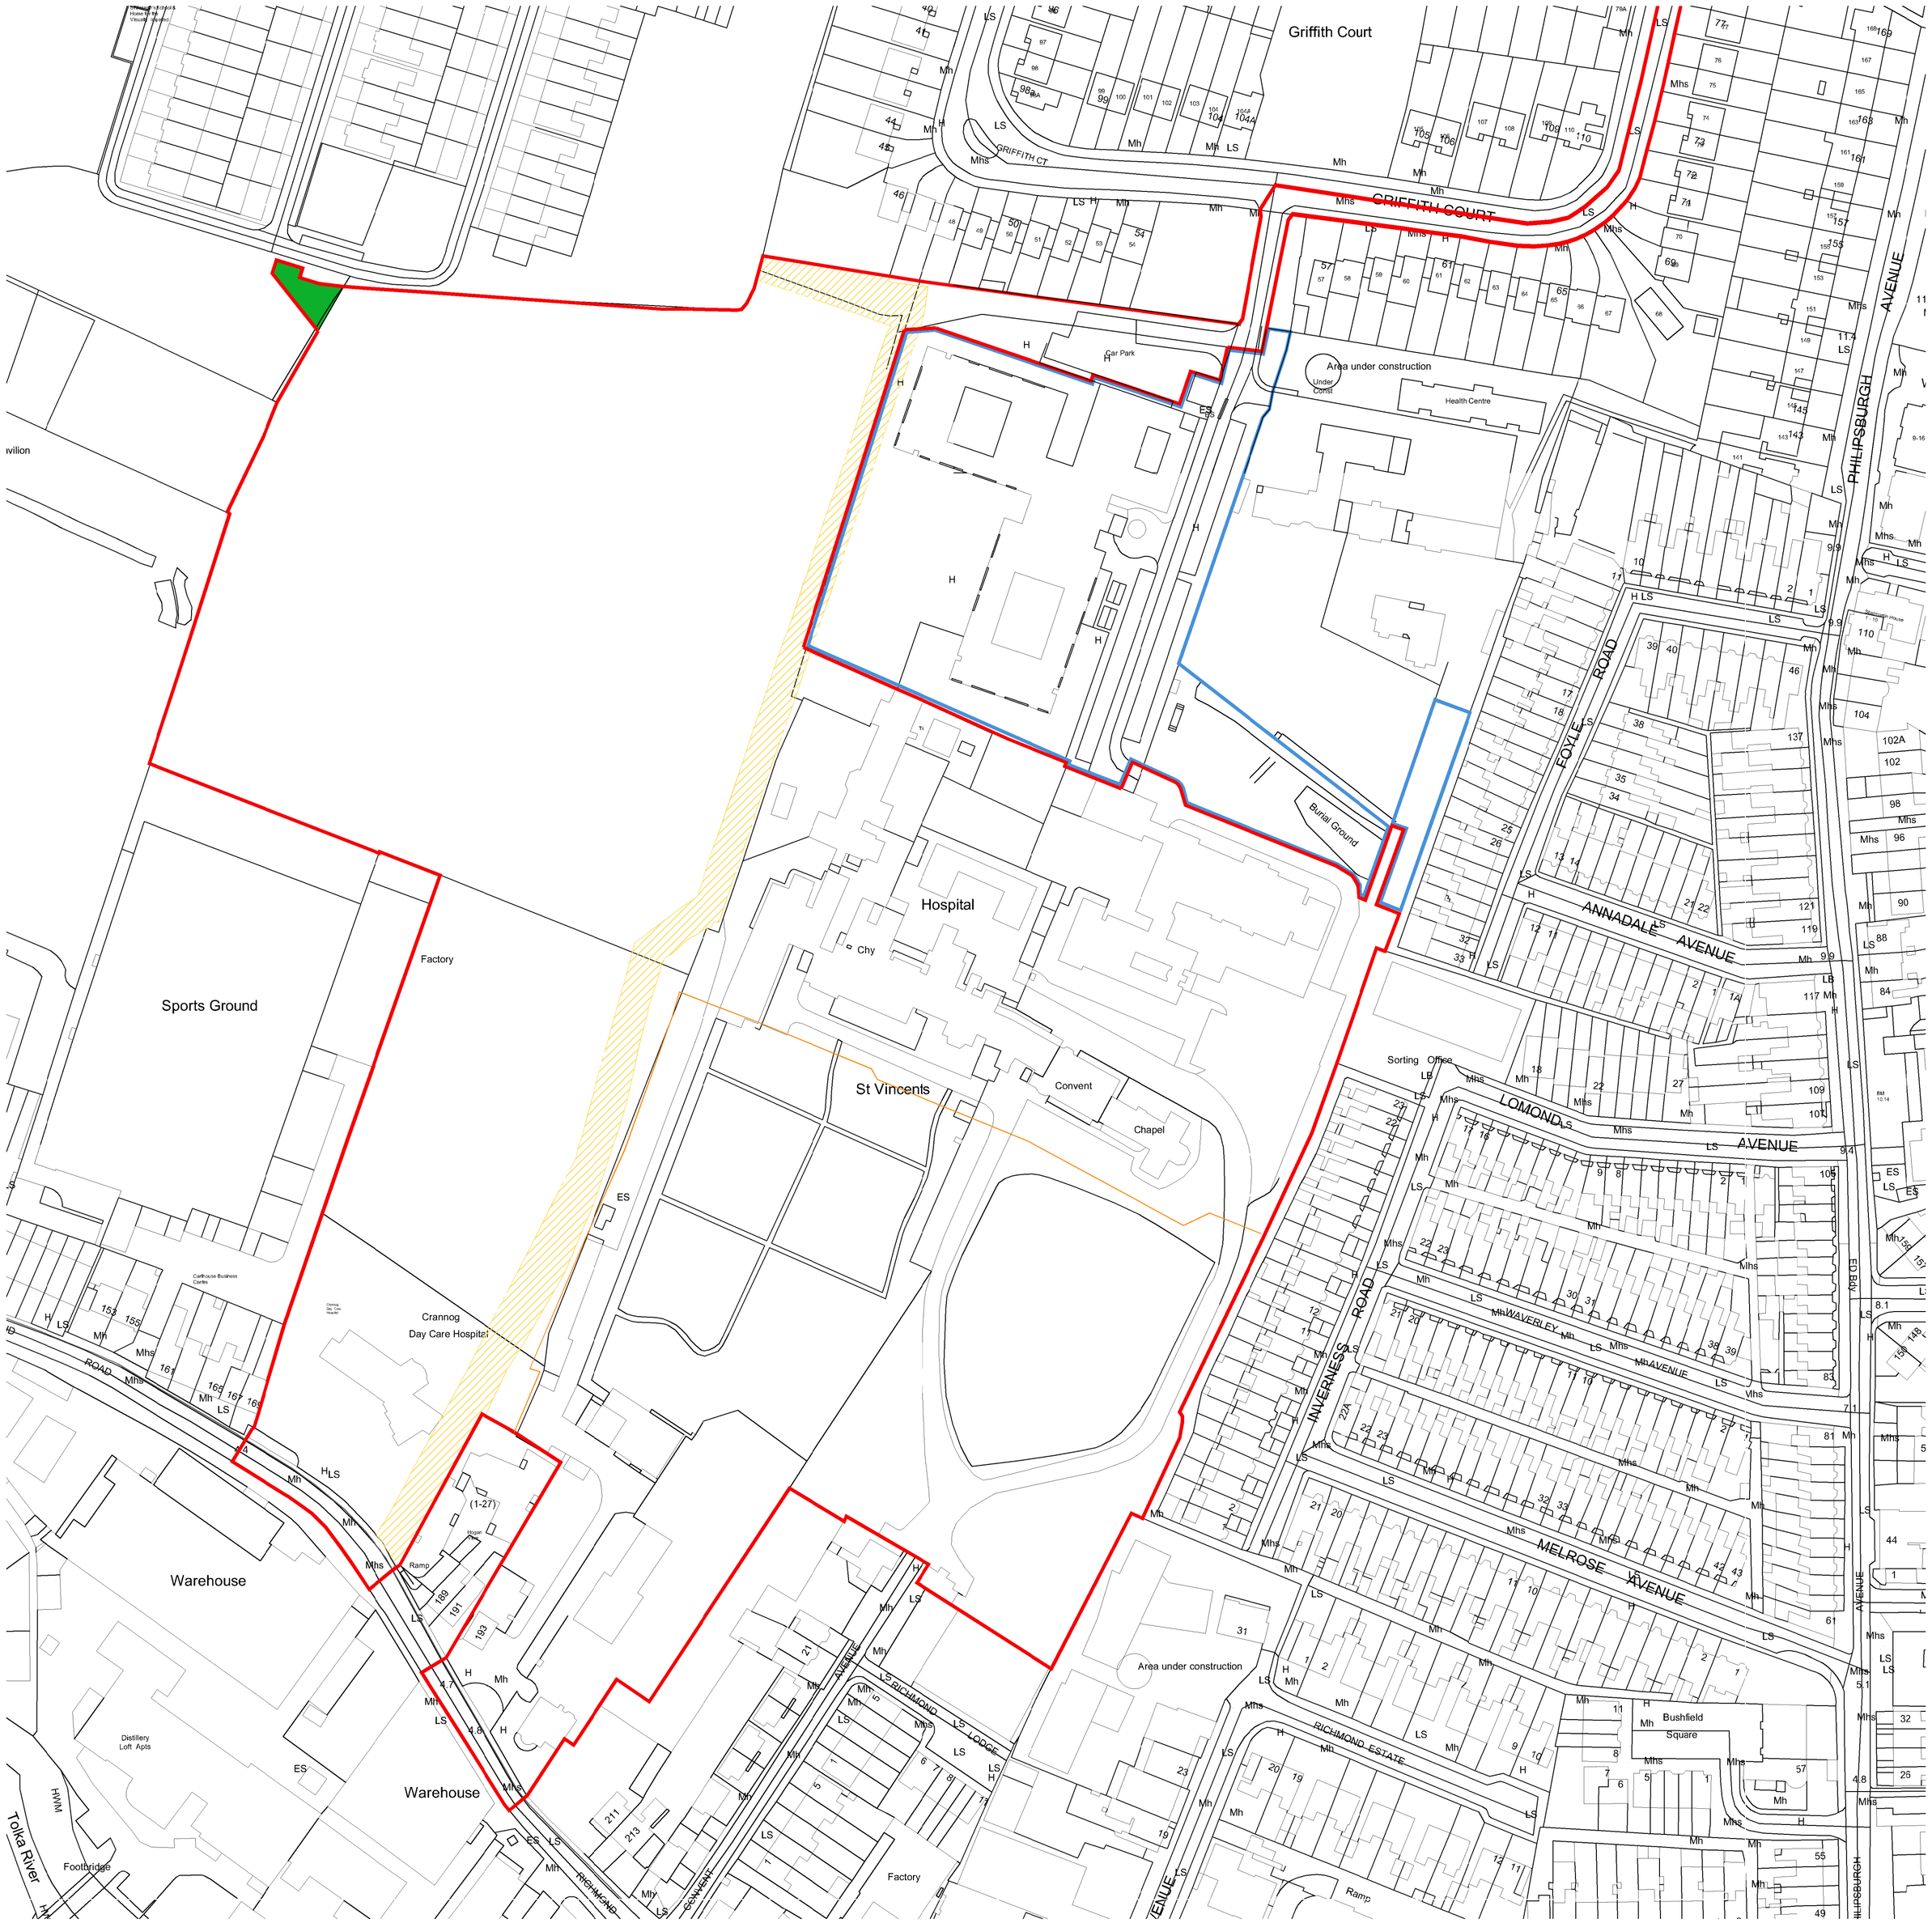

At Planning Application stage it was indicated that potential future connectivity to the Southern Lands (St Vincents) was contemplated and was indicated in our Design Statement.

I confirm that Targeted Investment Opportunities ICAV acting solely in respect of its GPR sub-fund, 25-28 North Wall Quay, Dublin 1, as the owner of part of the lands to which the application site relates (identified in green on the attached site location map), hereby gives consent to St. Vincent's Hospital submitting an application for planning permission which includes the subject lands within the red line boundary in order to provide for a pedestrian / cycle connection to Grace Park Wood, as illustrated on the Site Layout Plan prepared by STW Architects.

Ultimately it is likely to be a matter for DCC who will be the future beneficial owners of these lands to grant access at a future time.

Yours faithfully,
